Tours are fun, exciting, and meaningful and include: a 3D experience (using Google Earth), historic photographs, short clips of relevant videos/music.

Basic Tour Package

This package is best for any family or group interested in learning about Israel. It is not customized, and isn't for a family celebration.

Choose from one of my ready-made tours of Israel for a live private tour for your group (for example):

Holiday Tour (tours vary according to the holiday season)

Holiday Tour for Kids (ideal for children ages 4-10)

Highlights of Israel

Highlights of the Old City of Jerusalem

I will send you a zoom link that you can send out to your group. Up to 100 devices/computers that you invite can sign in to the link.

Tour is 1 hour and 15 minutes.

Your guests can sign in 10 minutes before the start time.

Package includes approximately 5 pictures of your group (screenshots) that I will take during the tour, and will send to you within one week after the tour by email.

The presentation will look best on a computer as opposed to a phone or other device.

For the tour to run most smoothly, it's very helpful if you or someone in your group can assist with letting people in from the "waiting room" and "muting" anyone who is inadvertently causing background noise. I can explain how to do so.

The Basic Package includes a 15 minute phone consultation.

Fee for the basic package is \$95 USD

Video Recording of the tour on a Youtube unlisted link is an additional \$25.

Payment is due one week before the tour through Paypal or other arrangement.

Premium Tour Package:

This package is good for a family celebration and is customized to include some of your family pictures. However, the route itself is not customized.

Choose from one of my tours of Israel for a private event for your group (for example):

Holiday Tour or Birthday Tour/Bar/Bat Mitzvah (tours vary according to the holiday season)

Holiday Tour or Birthday Tour for Kids (ideal for children ages 4-10)

Highlights of Israel

Highlights of the Old City of Jerusalem

You can send me up to 10 photographs (such as you and your family on a previous birthday occasion or holiday gathering, or pictures of you in Israel at relevant locations) that I will integrate into the tour.

I will create for you a beautiful personalized invitation that includes a zoom link that you can send out to your guests. You can invite up to 100 devices/computers to sign in to the tour.

Tour is up to 1 hour and 30 minutes.

If you would like, you can share some thoughts and invite your guests to share as well, perhaps as wishing a happy birthday or whatever is relevant to your occasion.

Your guests can sign in 10 minutes before the start time.

Gold Package

This package includes everything in the Premium Package and also allows you to customize the tour itself. This package also includes a technical assistant who will let guests in from the waiting room and will make sure everyone is muted during the tour to prevent unnecessary background noise.

Let me know what places in Israel (and perhaps outside of Israel) that you would like to visit and what you would like the theme to be (birthday, holiday, bar/bat mitzvah, or other) and I will create a fully custom designed tour!
